Careers at Sea A Guide to Training Skippers

WAVING OR DROWNING?

LIVE TO TELL THE TALE
ALWAYS WEAR YOUR LIFEJACKET.

No good fisherman plans to end up in the water. Wearing the new GPS-enabled lifejacket means you can be found - and found alive - the day things don't go to plan. It's the difference between being lost or found.

Minimum number of qualified Deck Officers to be carried on a fishing vessel

Fishing Area	Vessel Length	Skipper Full	Second Hand Full	Skipper Limited	Second Hand Limited	Second Hand Special
Unlimited	≥100 metres	1	3 or	3		
Unlimited	50 metres to < 100 metres	1	2 or	2		
Unlimited	< 50 metres	1	1 or	1		
Limited	≥100 metres	1	1or	1	1 or	1
Limited	50 metres to < 100 metres			1	2 or	2
Limited	24 metres to < 50 metres			1	1 or	1
Limited	17 metres to < 24 metres					1

≥ Greater than or equal to < Less than

Sea Service

See Entry Requirements Table on Page 2.

Qualifications

Department of Transport, Tourism and Sport Deck Officer (Fishing Vessel) Certificate of Competency are issued following successful completion of training, sea service and written and oral examinations.

Examinations:

Candidates must complete their ancillary Certificates and written examination before they will be accepted for their oral examinations by the Department of Transport, Tourism and Sport (DTTAS). Examinations are carried out by BIM on behalf of DTTAS to the award of a certificate of Competency as a Deck Officer. BIM holds the written examinations at the National Fisheries College of Ireland, Greencastle, Co. Donegal and the National Fisheries College of Ireland, Castletownbere, Co. Cork.

Duration

The Second Hand Limited programme takes approximately 10 to 12 weeks full time study.

The Second Hand Full takes approximately 16 weeks full time study.

The Skipper Full programme takes approximately 14 weeks full time attendance.
